The Kahn Collection of Coins.

This Sale includes a wide variety of offerings in Coins, Medals, Paper Money and Tokens. Special mention should be made of the 1794 and 1836 dollars, the \$50 gold piece, 1796, 1806, 1807 and 1853 quarters, uncirculated, Half Dimes of 1795, 1796, 1797, without arrows and rays (uncirculated), brilliant proof half cent of 1833, the lines of U. S. Silver dollars, half and quarter dollars, dimes, half dimes and minor coins, with many rare and old dates, U. S. Cents of 1793, 1799 and 1804, fine Foreign Silver coins, Foreign Copper, Jackson Tokens, etc. The unusually large and fine Hewitt collections of medals and tokens of Lincoln, Washington, Clay, Grant, McClellan and others should not be overlooked. There are many coins of medium rarity in fine condition, and a large number of lots suitable for dealers to retail. In point of variety, this sale will be found different in complexion from any that I have held for a long time, so it is hoped that the collectors will not fail to give the catalogue a careful examination, and favor me with their usual generous number of bids.

Remember, coins and medals are not, as are eggs, perishable in the hot season, but are always a good investment.

THOMAS L. ELDER.

CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. These are the only conditions under which bids will be received.

Coins and medals are sold at so much per **PIECE**, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c. up to \$2.50, when 10c. advance must be bid, up to \$10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in a lot and you wish to pay \$5.00 for the entire lot, then bid \$1.00.

Auction sales are **strictly for cash**. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

My charge for executing bids will be 5 per cent. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

We will send a printed list of the prices realized for this sale, for \$1.00, **cash to be sent in advance**.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, **Thomas L. Elder**.

DO NO FORGET

That when you are thinking of disposing of your collection, or duplicates that I have a large and up-to-date mailing list of the best buyers and collectors in America, and that I have held a series of most remarkable sales in the past year, notably the E. Gilbert sale of 1794 cents, the Mougey, and the W. H. Woodin Sales. The season of the year cuts little figure in prices for good coins. This was proved on September 1st, 2nd, and 3rd, of last year, at the Mougey Sale, when over \$20,000 was realized. Mr. Gilbert was delighted with the showing made for his Cent and Jackson Collections. Write me for terms.
